The Series

Bambolina

Bella Bambolina adventure series is rich in text with a storyline that is exciting and educational for young readers. Musical works have been written to support each story to enhance the adventure experience.

With focus on exploration and discovery, Bella Bambolina and the Bellas travel the world, where they're caught between good and evil, to find important missing pieces of a magical puzzle to save the island of Bella Bella.

Gianna

Educational- As Bambolina and the Bellas visit countries around the world, readers learn of different cultures and customs and are exposed to other languages, in a fun and enlightening way. As new countries and friends are introduced to the series, each adventure contains a dictionary of 'words to grow on' pertaining to that country.

Mia

In addition, as they encounter obstacles in their travels, they use ingenuity to solve problems in clever and humorous ways, encouraging young readers to do the same.

Merchandising- As they travel and make new friends, new characters are introduced, expanding the series to include new cultural experiences, products and merchandise.

Sophia

Multimedia –Bella Bambolina is intended to be a multi-media project encompassing numerous components such as: **Books, music/CD's, television series/movie(s), toys and games, dolls, home goods, food products, interactive video games and website.**

Francesca
